

## Willard 5<sup>th</sup> Grade Memory Book and Slide Show

Through the years that our children have been at Willard, they have experienced many amazing events, field trips and memories. From building Gingerbread Houses in Kindergarten, Penguin and Dinosaur projects in First Grade, Science Fairs, Holiday concerts, field trips, to most recently the Circus performance, the students have grown and learned and now we are the parents of Willard 5th Graders!

Each year the 5th graders receive a Memory Book, which is separate from the yearbook and has each student featured on a page with favorite photos. During the promotion ceremony on June 21st, we will also show a slide show featuring images of the class through the years from Kindergarten to 5th Grade.

We rely on the help of all 5th Grade parents to supply all the photos for these two special projects. We are asking for each parent's help to pull together a group of photos to make their child's page in the Memory Book and the entire slide show, special. Below is a list of the photos that we are requesting by **January 31st** from each family. The photos should be downloaded to Dropbox and the directions for this are below. **Please also note that each photo must be larger than 1mb in size.**

*Please supply the following by January 31st:*

### Memory Book:

- Baby photo
- Kindergarten School Photo - *Only needed if your child did not attend Willard for Kindergarten*
- 3-4 candid photos of the student representing their time at Willard (either individuals or taken with friends)

### Slide Show

- Any photos of current 5<sup>th</sup> graders (i.e. not kids from all different grades) in group shots of 2-8 Willard students (We don't want solo shots or a ton of very large group shots)

- These photos should have been taken inside Willard, at Willard events, on Willard field trips or during Willard clubs during any of our current 5<sup>th</sup> graders years at Willard.

**Directions for Dropbox:** (if you have any technical questions regarding dropbox, please contact Anne McDonnell at amm0876@gmail.com)

- Go to [www.dropbox.com](http://www.dropbox.com)

- Log in using the following

Email - **willardphotos2017@gmail.com**

Password- **willard2017**

- Find your child's folder and click on it

- Once you are in the folder, there are 2 subfolders - slide show and memory book

- Please download your photos into the appropriate subfolder

- You can download the photos by either dragging and dropping them into you child's folder or you can click on one of the icons to the left of the search bar to either upload a file or upload a folder

Thank you so much for helping us put together these two amazing projects for our 5th Graders. Please feel free to contact us with any questions and we look forward to many happy faces when the Memory Books are distributed at the end of the year, and a few nostalgic tears when we all watch the slide show together on June 21st at the promotion ceremony.

Thank You!

Vanessa Lee and Gabrielle Winnert
