# 2021-2022 PARENT/GUARDIAN SURVEY

ELEMENTARY SCHOOL  
FINAL REPORT

Dear Parent or Guardian,

In June 2022, district parents and guardians were asked to fill out a comprehensive survey on topics related to Ridgewood's schools and their children's education. The results of the survey for our elementary schools are presented in this report.

These results present an important summary that we will use as a resource for making your school and the district the best they can be.

Thank you to all who completed the survey. We appreciate your feedback.

## About the Survey

The data in this report reflects the survey results for our elementary schools. The survey was conducted from June 6-20, 2022 using Google forms. Email invitations were sent to all district parents and guardians via Skyward on three dates: June 6, June 13, and June 20. Additionally, survey announcements with a district-branded graphic were posted on RPS Instagram, Facebook, and Twitter on these dates.

Numerical data were compiled, and charts were generated through Google forms, as presented in this report. The superintendent, administrators, and school board members reviewed the data and all comments. The data will be used as one of several resources for ongoing review and refinement of the programs and practices of the Ridgewood Public Schools.
