Change Is Opportunity

Scott Chesney

Speaker ♦ Coach ♦ Consultant

Fasten your seatbelts as you are about to take a journey into the only constant in life—change. Find out why we love it, why we despise it, and what we can do to best prepare ourselves for change and leverage it...as parents, as professionals, and most importantly, as individuals. Scott not only asks the big questions, but he offers tangible actions to build that bridge and to incorporate self-care and gratitude in daily life. This highly engaging presentation will leave you feeling empowered to take action to not only survive any change but thrive in the face of it!

Scott Chesney, a two-time world traveler and a navigator of life with paralysis for 31 years, has presented to over 1.5 million people in 38 countries as a motivational and inspirational speaker. After awakening to paralysis at the age of 15 from a sudden spinal stroke, Scott has amassed a resume of transformational experiences, powerful insights, and inspiring stories that cut to the core of the human spirit. He has become a nationally and internationally recognized workshop and keynote presenter, and his positive and inspiring message has changed countless lives.
