

Attention Adventurers!

In a year where so many activities have been cancelled or done virtually, Cub Scout Pack 77 is returning to action.

This year's calendar includes a whole host of fun, interactive and highly unplugged adventures including a trip to the NY Botanical Gardens Train Show, a Pumpkin Hunt, day hikes and of course, The Pinewood Derby. All activities will be conducted with a maximum focus on COVID safety precautions.

We are starting an all-new First Grade Den but all ages (grades 1-5) are welcome! Girls are welcome too; all activities are gender agnostic and completely inclusive!

To join, simply email pack leader Jeff Boedges
jeff@sohoexp.com or call 917-548-3324

We'll be happy to answer any questions and sign up any new scouts that want to get back to a life of adventure.

Hope to hear from you soon!
